Congratulations Graduates: NAIOP-SFBA YPG Class of 2018!

We are pleased to announce that 32 participants have just completed the Chapter's Young Professionals Group, a year-long program for personal and professional development. Many will be joining other graduates on the YPG Alumni committee, which takes an active role in coordinating curriculum and activities for the next class, as well as helping to recruit future participants.

At the close of each year, the YPG class is divided into teams tasked with presenting mock proposals for a chosen development site. This year's site was Pier 30-32 and the winning team was **John Chen, Ryan Denman, Madison DiNapoli, Chris Eldemir** and **Jacky Iniguez**.
